What is Child Development Screening?

A free preschool screening opportunity for children age 2 ½ - 4 ½ who reside in the district. At this time you are also able to register your child for 4 year old kindergarten for next school year.

This play-based screening is a simple check of how your child is growing and developing in the areas of:

- Thinking, Language and Communication Skills
- Social and Emotional Development
- Development of Large and Small Muscles
- Vision and Hearing Screening

If unable to attend on this date, please call (920) 967-1360.

What happens at Child Development Screening?

Your child will be screened in a relaxed and friendly setting - you will accompany your child at all times. When the screening process is complete, an education professional will share the results with parents and address any concerns or questions. Community resource information and a small gift for your child will be provided. The entire screening process is completed within approximately 1 hour.

How can I register for Child Development Screening?
