

## Share your knowledge with out leaving home

Were you ever new to a place and didn't know who to talk to for the answers?

Has your child ever come home from school asking to go to the dance but you didn't have any information on the : where, when, what, and how's?

Have you ever felt uncomfortable calling the school to ask a question and rather have spoken to another parent?

If you answered yes to any of the above questions then we are needing your help!

We would like 7th and 8th grade parents to adopt a 6th grade family as their communication contacts.

The contacts will help answer questions and make connections with the 6th grade parents.

If you are interested please fill in the bottom information and send back to school.

### Communication Contact

Contact Person Name: \_\_\_\_\_

Phone # \_\_\_\_\_

**Please return back to Maplewood by June 1, 2012**
