

Open Enrollment for 2012-2013

Are you moving and want to have your children remain in the Menasha Schools? Do you know of someone who lives outside of the MJSd boundaries but wants to attend here? Wisconsin's Open Enrollment period for the 2012-2013 school year is February 6-24, 2012. This program allows parents to apply for their children to attend in school districts other than the one in which they reside.

You can apply on-line with the Department of Public Instruction. We will have the link to the open enrollment website on our district website (www.mjsd.k12.wi.us) at the start of the open enrollment period.

Please note that a recent change to the law has extended the application period. You can apply anytime between now and 4:00 PM on April 30th.

If you do not have access to a computer you can come into the Banta Administrative Offices during the open enrollment period for assistance.

If you move at any time during the school year there are options available for your children to remain in Menasha by completing a Tuition Waiver form and applying for Open Enrollment during the next Open Enrollment period.
