Under Wisconsin Statute 118.15(4), a parent or guardian has the right to select a home-based private educational program (HBPEP) for her or his child or children, in order to comply with the compulsory school attendance law. This option is commonly referred to as home-schooling. If the HBPEP option is chosen, the parent or guardian is required to complete form PI-1206 online and submit it to the Department of Public Instruction (DPI).

A parent who is planning to provide a home-based private educational program may not legally withdraw her/his child from a public or private school until the child is officially registered with the DPI. This occurs when the DPI has received the completed form PI-1206. If withdrawn from a public or private school prematurely, the child may be considered truant.

The PI 1206 form is to be completed and submitted online. The online form is available at this website, sms.dpi.wi.gov/sms_homeb. The Department of Public Instruction does not provide personal consultation and technical assistance regarding home-based private educational programs.

As the legal parent/guardian of _____, it is my intent to provide him/her with a home-based private educational program. I have read and understand the above mentioned information.
