

## How to reset your password:

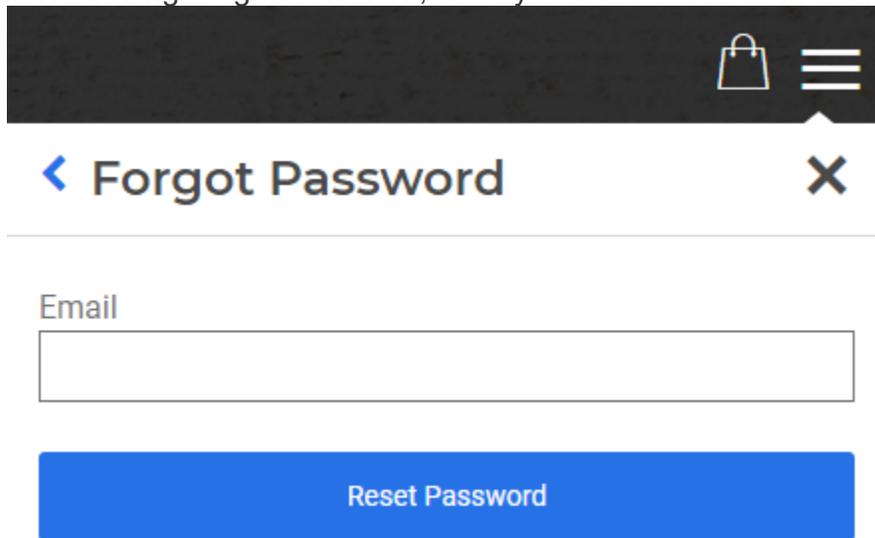

1. To log in for viewing menus and placing orders, go to [lookup.nutrislice.com](http://lookup.nutrislice.com) (or open the Nutrislice app) and search for your organization. This may be the name of your school, school district, college, hospital or workplace.
2. Once on your organization's menu website, click on the three lines in the upper right corner and select Log In.

3. If you have already created an account on this webpage but need to reset your password, click on the Forgot Password link.

The image shows a mobile application interface for logging in. At the top, there is a dark navigation bar with a shopping bag icon and a hamburger menu icon. Below this is a white header with a blue back arrow, the text "Log In", and a black close icon. The main form area contains two input fields: "Email" and "Password". Below the email field is a checkbox labeled "Remember on this device". A large blue button labeled "Log In" is positioned below the password field. At the bottom of the form, there are two links: "Create an Account" and "Forgot Password", both highlighted with a blue glow effect.

4. After clicking Forgot Password, enter your email address in the field.
