## PRINCIPAL'S CORNER

### December **Bravo** Students!!

Leroy gathered all the tiles after our math lesson and made sure they were put away. He did this without being asked to do so.

Chloe was a great peer teacher! She taught a classmate how to perform a volleyball skill that they were having a hard time with. Bravo, Chloe!!

Lawsyn and Zayda earned a bravo card for always working hard in art and being very polite!!

Jeremiah is always so polite and mannerly whenever we have guests in the classroom. He is also a great friend to his classmates and very helpful. An example of this is when a classmate was late coming into the class, Jeremiah got the materials the classmate needed and gave them to him, so he could join the group right away! Bravo Jeremiah! Keep spreading kindness.

### January's PBIS expectations is Winter Cool Tools

Students will review the rules for recess in the winter.

**\*Snow stays on the ground (no throwing snow or ice)**

**\*The snow belongs to everyone, so everyone can build forts together.**

**\*Snow structures should stay built. You can add onto a structure but don't destroy it.**

**\*Stay off the ice.**

Just a gentle reminder that as the weather gets colder, the school doors do not open until 8:20 am. Please make sure your children are dressed appropriately for the weather. Students go outside for recess if it is zero degrees (0 degrees wind chill) or above.

Grade 4K-3 - snowsuit or snow pants and jacket, gloves or mittens, hat and boots.

Grade 4-5 - jacket, gloves or mittens, hats and boots (snowsuit or pants if they plan to be on the playground or in the snow).

If students do not have boots and snow pants, they **MUST** stay on the blacktop!

## Too Sick for School??

**Fever:** If temperature is 100F or greater. Must be fever free, without fever reducing medication, for 24 hours before returning.

**Vomiting:** Until vomiting stops for 24 hours.

**Pink Eye:** Until drainage is no longer present and fever-free.

**Strep Throat:** Until 24 hours after antibiotic treatment and fever free.

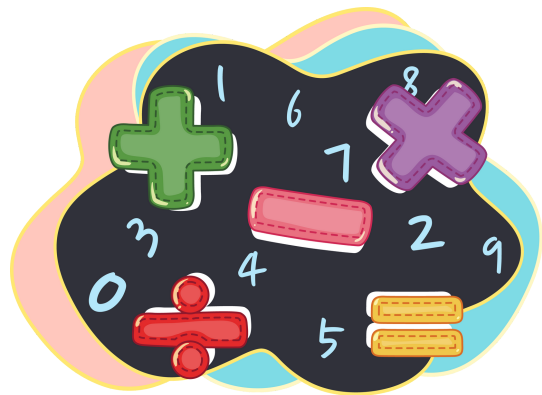

**We already have an abundance of Lost & Found items. If you are missing jackets, sweatshirts, water bottles, hats etc... please stop in the office to take a look at the items to see if they belong to your children.**

## Bridges Parent Newsletters

In the table below you will find links to the Bridges Math Family letters explaining what your child will be learning in each unit. The units loosely correspond to a month. For instance, Unit 1 is September's curriculum, Unit 2, October. The newsletters are a great resource for families as they share the models and strategies being taught in the unit.
