

I need help for my child right now.

NO

Has your child harmed or threatened to harm themselves or others?
Is your child out of control? Are you unable to safely care for your child?

YES

If the child already has a counselor, follow established crisis plan and/or contact counselor

If the child already has a counselor, contact their counselor.

If the child has a physician, contact the physician. The physician may be able to assist with a referral.

Check to see if your employer has an Employee Assistance Program (EAP). If so, contact the EAP.

Do you have insurance or medical insurance?

NO

YES

To learn about medical assistance, contact the **East Central Income Maintenance Partnership**
888-256-4563

Call the number on the back of your insurance card to check mental health benefits and providers

I'm concerned about my child's mental health, but it isn't an emergency.

Children do best when families, providers, and schools work together as a team. Parents may want to consider signing release of information forms to make sure that all current providers are aware of concerns and referrals.

Community Mental Health providers if you do not have insurance:
Calumet County Health & Human Services:
920-849-1400
