PRINCIPAL'S CORNER

Hello Clovis Families, This year we are acknowledging our students who do extraordinary things that demonstrate kindness, bravery, empathy, perseverance, etc. with BRAVO! Cards. Here are some of our students who have earned BRAVO cards during the month of January. These students and more will be recognized in our monthly assembly.

Your Partner in Education,
Principal Richter

BRAVO!

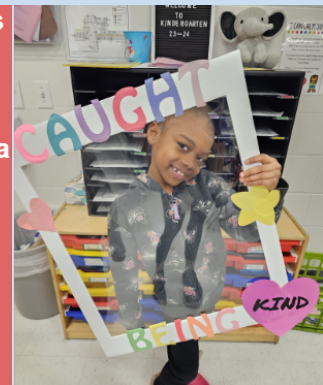

Nolan has been a great helper in class. He was "caught being kind" when one of his friends had trouble getting off the swings and he helped her off. What a great friend, Nolan!

Kaylie used her recess to create a chart her group can use in their next class with Mrs. Dahlvig! Bravo and thank you Kaylie!

BRAVO!

P'romise was kind by helping a friend who tripped over a chair and fell and went up to them to make sure they were okay! What a great friend!

Emma greets her friends by name every morning. She is so helpful and kind. Keep up the great work, Emma!

Molly and Aubryn are always willing to give up their free time on Fridays to help others with their work. BRAVO to both of you.

Logan Xiong helped pick up pencil shavings from a pencil sharpener after they spilled all over the floor.

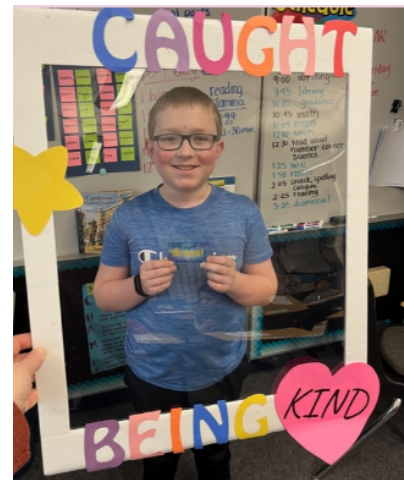

Gavin and Ethan did an awesome job reading their books. They did not get stuck on tricky words because they broke them into parts they knew and continued on. Way to go Gavin and Ethan!

BRAVO!

Zaedyn saw two students having a disagreement. He then intervened and talked them through the situation, so they could move on. Awesome job helping and reminding your peers to be kind! Keep it up!

Everett brought in his copies from home of two books his classmates wanted to read. Thanks for being a kind reader!

BRAVO!

GRATIS - Evaluación de desarrollo infantil para niños de 2½ a 5 años de MJSD

Desde el nacimiento hasta los 5 años, el cerebro de un niño se desarrolla más rápidamente que en cualquier otro momento de la vida.

La evaluación de desarrollo consiste en una verificación rápida para asegurarse de que su hijo se está desarrollando normalmente. Por favor, escaneen el código o hagan clic en el enlace para contestar el cuestionario de interés, el cual solo les tomará de 10 a 15 minutos. Con él podrán descubrir las fortalezas de su hijo y las áreas en las que él pudiera llegar a necesitar apoyo. El personal de Menasha Early Learning se comunicará con ustedes para dialogar acerca de sus inquietudes y responder a cualquier pregunta que puedan tener. También recibirán recursos adicionales a través de First Five Fox Valley.

Si desean programar una evaluación en persona, por favor llamen al 920-967-1431 o envíen un correo electrónico a holtzs@mjsd.k12.wi.us
