

MENASHA EARLY LEARNERS SUMMER BUCKET LIST

We had over 50 families participate in our spring bucket list so we have decided to send home a summer bucket list!

All students who participated in the spring bucket list challenge were entered into a drawing for a bucket of fun activities, including a Kwik Trip gift card.

Spring Grand Prize Winner

Cheyenne - Clovis Grove 4K

Your summer challenge is to complete at least twelve of the activities included on the summer bucket list. Finding the time to fit in some of these activities and connect with your child will help everyone feel like a winner!

Just a few of the reasons why spending time with your child is important:

- ★ Helps your child feel loved, valued and important which builds self-esteem and self-worth.
- ★ Gives you a chance to model good behavior and share your values and morals with your child.
- ★ Allows you to notice your child's strengths and help them grow as a person.
- ★ Encourages positive behaviors and cooperation.

★ Creates an emotional bond between you and your child.
