MEMO TO: Parents, Teachers, PTO's and Staff of Menasha Joint School District

SUBJECT: Annual Notifications

FROM: Dave Elliott, District Supervisor of Buildings, Grounds and Safety

Asbestos Management Plan Notification:

In accordance with the requirements set forth 40 CFR 763.93(g) (4) and 763.84(c) of the Asbestos Hazard Emergency Response Act (AHERA), The Menasha Joint School District hereby notifies all interested parties that the asbestos management plan for the school district is available for inspection and review in the district office. The management plan contains information regarding inspections, response actions and for post-response action activities such as periodic surveillances and re-inspections which are planned or in progress. Appointments to review that plan can be made by contacting me at 967-1999 at least one day in advance.

Indoor Environmental Quality Management Plan Notification:

The Menasha Joint School District can use our website, student handbook, local newspaper, or other appropriate means to notify students, staff, and the community that the district has an IEQ management plan in place. This annual publication is part of the Menasha Joint School District's communication plan within the IEQ Management plan.

In accordance with the requirements set forth in Board of Education Policy 8405, Wisconsin State Statute 118.075(4) and 2009 Wisconsin Act 96 the Menasha Joint School District would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2012 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Appointments to review that plan can be made by contacting me at 967-1999 at least one day in advance.
